

# Mu Alpha Theta

## *Competition Grant*

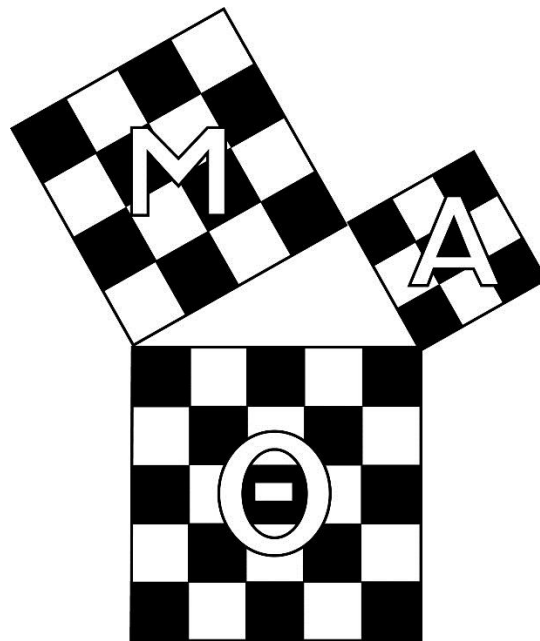

Mu Alpha Theta is offering competition grants of up to \$500 per active chapter that may be used to pay expenses associated with the chapter participating in a mathematics competition. Funds are available on a first-come, first-served basis until the budget for these grants is depleted. Funds may not be used for Mu Alpha Theta's National Convention. For support for that competition, see Convention Grants.

Please apply before incurring expenses to determine whether there are still funds available for the calendar year. Once a grant is approved, receipts or invoices for expenses should be sent to Mu Alpha Theta no later than one month after the date of the competition. Funding will be adjusted to cover actual expenses. It's better to overestimate your funding needs because funds will not be available to cover excess expenses over the original approved grant amount.

An active Mu Alpha Theta chapter may use grant funds

- for expenses to travel to a math contest
- to help defray other costs for Mu Alpha Theta members to participate in a math competition
- to pay entrance fees or per student costs to compete
