THINGS TO KEEP IN MIND FOR THE 2017 CONVENTION

You must bring your own lunch and souvenir money for the excursion to Niagara Falls. **We will not be providing lunch money this year.**

Do not go to the Canadian side of the Niagara Falls during our excursion. It will be extremely difficult for a Mu Alpha Theta representative to cross the border to provide help once you leave the US. We request that you visit the US side of the Falls only.

MESSAGE FROM THE MAΘ STUDENT DELEGATE PRESIDENT

Howdy all,

I hope everyone has been enjoying their school year so far. I know that my senior year has been loads of fun, but hectic with all the college applications and senior projects. Speaking of loads of fun, I am sure that many of you have been having a blast with your Mu Alpha Theta chapter much like I have. **That is why we want you to share it!** When you can, make sure to follow MAΘ on [Twitter](#), [Facebook](#), [Instagram](#), and even on [Pinterest](#) (you can find all the links on the MAΘ homepage). We want to see not only how mathematical you are, but also how radical you are!

Before I sign off, I would like to remind you all that the best week out of the summer is right around the corner; of course, I am talking about MAΘ National Convention! It is going to be an amazing trip with not only math, but a wonderful stay at the Adam's Mark Hotel and a visit to the great Niagara Falls in Buffalo, New York. Seeing how we are fresh out of the month of February, make sure to show some love to your outstanding sponsors and nominate them for the [Huneke](#), [Sister Scholastica](#), and [Regional Sponsor of the Year](#) awards. It would mean a whole lot to them and show them that you really appreciate them! Anyways, make sure to have a spectacular rest of the school year!

Warm regards,

KAY WEISS: Do not send emails directly to Kay Weiss. She officially retired in early December 2016.

Please direct all email inquiries to: info@mualphatheta.org.

GRANTS: Funding is available for chapter activities, competitions, and summer math programs.

Best of luck to all scholarship and award applicants! Winners will be posted to our website on May 1 by 5pm CST.
