

# Mu Alpha Theta

October 2018

## A MESSAGE FROM OUR NATIONAL GOVERNING COUNCIL PRESIDENT

Fall is here in Kentucky after a September of variable weather! I hope that you were not impacted by the hurricanes and that you are enjoying a year of new experiences and challenges. I encourage you to take advantage of as many Mu Alpha Theta events and services as you can!

Please take a little time to check out the new Mu Alpha Theta website. It contains a lot of information that you should find helpful when planning your year—free competitions (Log 1, RCML, and the Mathematical Minutes video contests), chapter activities, scholarships, sponsor and student awards, and grants.

Begin planning now for the 2019 National Convention in Las Vegas. If your chapter has not attended a national convention, there are convention grants available to offset the cost for a sponsor and three students. Money has been set aside for this, so do not be reluctant to apply for a grant!

I hope you have a great school year!

*Kathy Mowers*

### LOOKING FOR AN EXCITING TEAM ACTIVITY? CHECK OUT THESE FREE MA $\Theta$ MATH COMPETITIONS

#### RCML:

The Rocket City Math League is a free, international, math contest that is open to all middle school, high school, and two-year college math students enrolled in pre-algebra through precalculus and above math courses.

**Interschool Test: Oct 30- Nov 17**

Register at: [www.rocketcitymath.org](http://www.rocketcitymath.org)

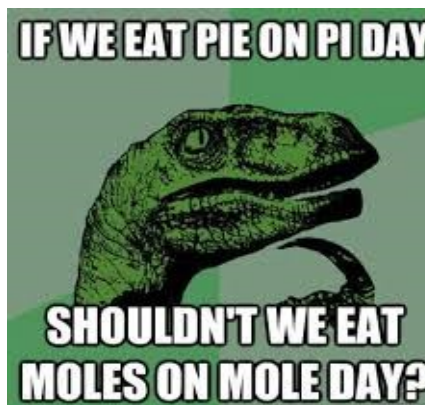

**LOG1:** All students at a chapter school may participate in the contest, but only members and associates of Mu Alpha Theta are eligible for prizes or for their scores to be counted toward the top awards.

**Round 1: Nov 1—Dec 14**

Register at: [log1.wamath.net](http://log1.wamath.net)

#### MU MERCHANDISE:

Our sturdy canvas book bags are now 25% off while supplies last!

**Happy Mole Day: 10/23**

### REMINDERS FROM THE NATIONAL OFFICE

#### FREE STUFF:

- ◆ TI-84 Plus calculators
- ◆ TI-89 calculators
- ◆ Hard Problems DVDs
- ◆ Wolfram Resource's Mathematics for members in calculus or above
- ◆ ARML Power Contest: Free registrations are available to 8 chapters who are first-time participants
