

HIGHLIGHTS FROM OUR 2018 NATIONAL CONVENTION

The 48th annual Mu Alpha Theta National Convention was held in Colorado Springs, July 8-13, 2018. After five days of grueling competitions, Buchholz High School from Gainesville, Florida, triumphed as 2018's Mu Alpha Theta National Convention Sweepstakes Winner.

"I am really proud of my kids. After losing a close battle last year with American Heritage, they came back this year very determined and worked extremely hard," said Mr. Frazer, Buchholz sponsor.

Attendees discovered our national convention is about much more than competition. Our convention provides a way for members to network with like-minded individuals, visit exciting new places like the Royal Gorge Bridge and the Garden of the Gods, and socialize with new friends from different states.

Our members also heard interesting presentations from speakers from the nearby U.S. Air Force Academy.

During each national convention, the student delegate assembly meets to discuss issues of concern to member schools. Each chapter at convention selects a student delegate assembly representative who will cast votes and make motions on issues. Representatives select the Sister Scholastica Most Committed Sponsor Award winner and elect student officers for the next national convention.
