

T-Shirt Contest Winning Design

We received many incredible designs, but we're pleased to announce that American Canyon High School, in American Canyon, CA, submitted the winning T-shirt design (shown right) and has won the \$1,000 chapter prize. The front reads "MU ALPHA THETA" in the same yellow across the chest center. We're offering these special, limited edition \$20 T-shirts through our online store starting November 30, 2020. We are only ordering a small number of these shirts and they'll be available until they sell out.

Thank you to all who participated in this contest!

Don't forget about the **Virtual Ideas** found via our fun **Math Resources** page: mualphatheta.org/math-resources

Constitutional Amendment Results

Thank you to those of you who voted on our recent constitutional amendment questions. Both proposed changes passed.

The sections will be updated to read:

Article III Section 3: "Ballots to be counted must be **received** by April 24."

Article III, Section 7: "There shall be no national annual **individual student (member) dues.**"

Have you seen our new video?

We've tried to encapsulate many of the great things about Mu Alpha Theta. What did we miss? (Please feel free to share the video with students/friends/family/everyone!)
