

MAΘ Chapters

June 2023

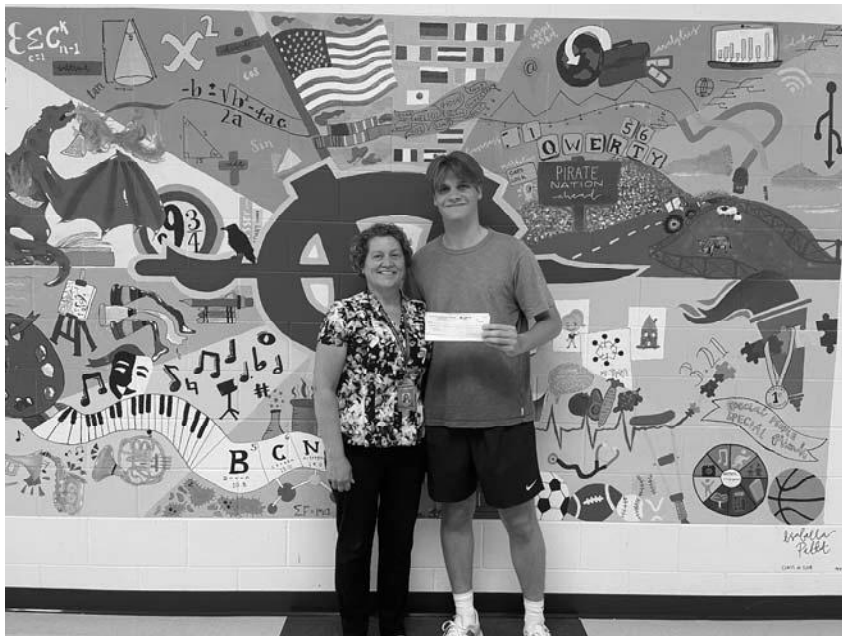

EXECUTIVE DIRECTOR'S MESSAGE

We are just days away from the 2023 National Convention! Thank you to all the sponsors and chaperones who are preparing their chapter members to join us in Fayetteville, Arkansas.

Congratulations to all our new MAΘ members and graduating MAΘ members! Since January, Mu Alpha Theta has inducted close to 37,000 new members, bringing our overall membership to over 111,000! Additionally, our sponsors purchased nearly 29,000 honor cords, almost 1,200 ribbons with medals, close to 900 honor stoles, and over 500 tassels for graduating senior members. We wish our graduating seniors the very best as they begin their new journeys!

Watch our social media for updates during the National Convention.

Happy Summer! —Dana Wade, ED

2023 ANDREE AWARD WINNER

Preston James is from Corinth Holders High School in Wendell, North Carolina.

Preston is pictured here with his sponsor, Elisabeth Shepard, who wrote, "His willingness to spend his time and efforts into tutoring his peers is a testament to his goal of wanting to be a teacher, specifically a math teacher."

His counselor wrote, "Preston also assisted with founding

and is the President of the National Math Honor Society at Corinth Holders High School."

Congratulations, Preston!

The Mu Alpha Theta Store will be closed July 1—July 31, 2023. All shopping carts will be emptied, and stock will be return to the shelves.

 CHAPTERS COME IN ALL SIZES AND ALL REGIONS OF THE WORLD

MU ALPHA THETA MATH HONOR SOCIETY

Congratulations to the new members of the Mu Alpha Theta Math Honor Society. Fourteen new members join the existing fourteen members of the Sr. Julia Marzorati chapter at MHC Academy. Known for her love of Math, Sr. Julia taught in the math department for years here at MHC Academy prior to becoming the school principal. She was known by all to be a deep thinker and used math to understand the rules God created to govern the world.

Mary Help of Christians Academy, New Jersey

Amanuel Kebebew, Ethan Khoo, Kevin Nguyen, and Nishtha Srivastava of John F. Kennedy High School in Montgomery County, Maryland, will compete nationally in New Mexico this summer, in the National Engineering Design Challenge. They placed first for the state of Maryland.

Brother Martin High School, Louisiana State Convention Winners

REMINDER

Students are not nor can they be sponsors. Students should direct all questions to their sponsors rather than the national office.

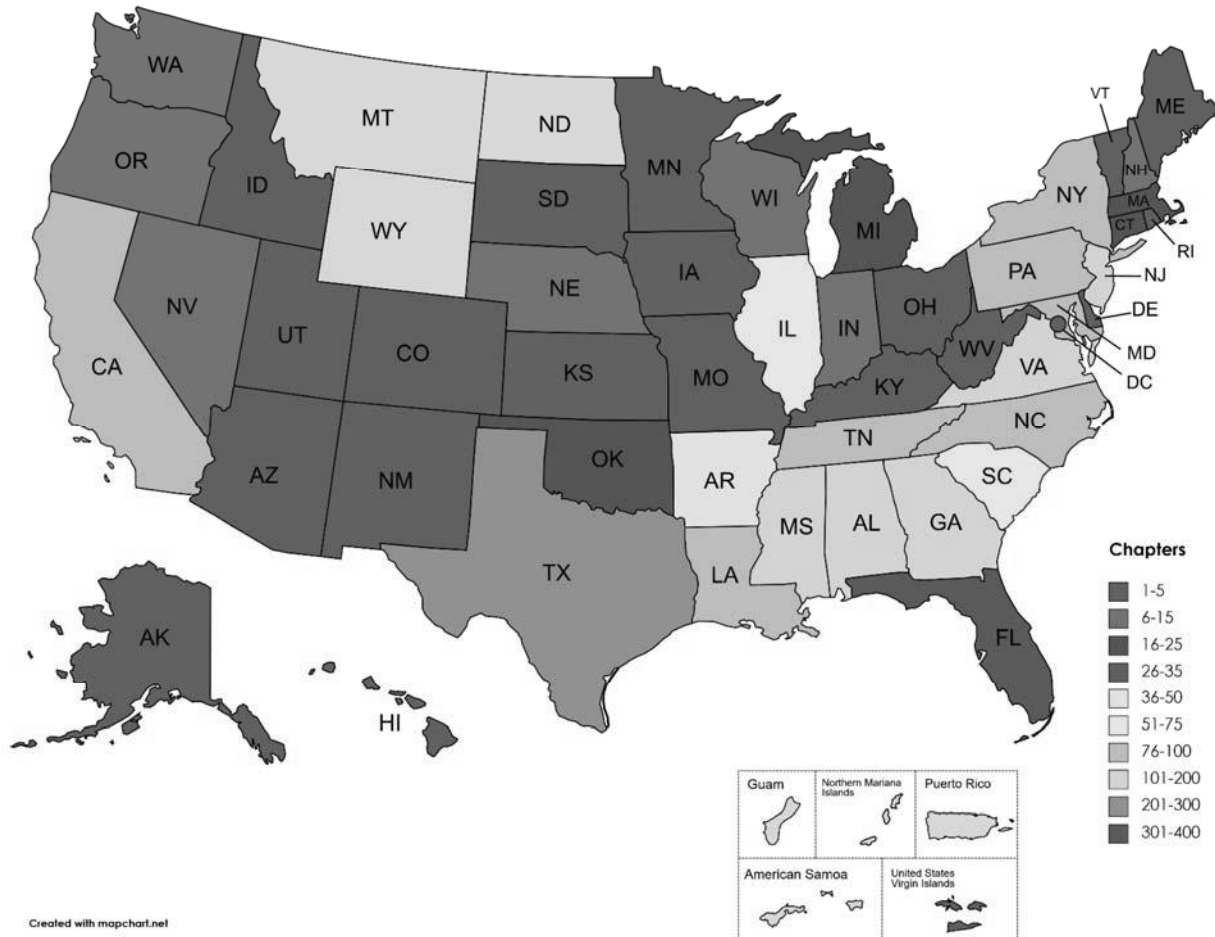

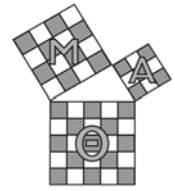

As a student you should not have access to the sponsor's log in or pa\$\$word.

SEE YOU IN AUGUST!

MAΘ Chapters

June 2023

Created with mapchart.net

Mu Alpha Theta currently has almost 2,500 active chapters. Ms. Karen Kating has worked diligently with sponsors to add chapters and reactivate chapters whose memberships have lapsed. We will take July off and will start adding and reactivating this fall when schools are back in session. Remember at least 5 members (not all seniors) are needed to start a new chapter.

The map above shows our highest concentration of Mu Alpha Theta chapters. Chapters are mainly in the southeastern states. Currently, there are no active chapters in Wyoming, Montana or North Dakota, and we would like to change that.

We encourage our sponsors to reach out to other schools in your area (or elsewhere) and tell them about Mu Alpha Theta. Thank you for all you do for your students! Help us serve others near you.

MU ALPHA THETA CHAPTERS AROUND THE WORLD

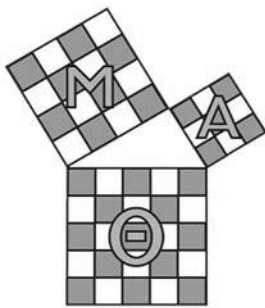

Since this map was drawn, Turkey has added a chapter!

IMPORTANT DATES

June 23 —July 4, 2023 Office closed for Convention and Independence Day

June 30 All invoices must be paid

YOUR CHAPTER COULD BE THE STAR

Please submit a picture of your MAΘ chapter (members, school, some activity your members participated in) and school in jpg or png format to Kathy@mualphatheta.org with permission to publish the photo. Be sure to include the name of your school in the subject line of the e-mail. If you'd like to be featured, send us a short story (Just a paragraph or two), too!

for a great year!
