

Mu Alpha Theta

June 2025

Dana Wade

A message from the Executive Director

We are getting ready for another National Convention in our office! On Saturday, July 5, our Governing Council will meet for the annual summer meeting, and then on Sunday we will welcome over 700 sponsors and members for a week of competition, speakers, and excursions in Orlando, Florida. Just a few more weeks!

At the close of the 2025 convention, Rob Snow will become our Past President, and Radleigh Santos will step into the President role for us. We are happy for both of them!

Remember that our store will close for the month of July while we complete inventory and gear up for another school year. It will open again on August 1.

I hope that the end of your school year and graduations have been peaceful and enjoyable.

Rob Snow

A message from the President

Hello all,

Most of our school years have come to an end and the relaxation of the summer is upon us. Enjoy the time with your family and friends so that we're ready for another great year in 2025-26. I'm spending the next month preparing for the National Convention in Orlando July 6-11. We have approximately 750 attendees from across the country coming to Orlando. When you return to school in the fall, prepare your chapter for next year's events, which will conclude with the 2026 National Convention in Frisco, Texas. We would like as many schools to attend as possible, so plan fundraising activities for your chapter to help raise money for all of the competitions and events you'd like to do.

I look forward to seeing everyone in Orlando. Enjoy your summers and get ready to do it again! Thanks

2025 National Convention

Huneke Award

All application materials, including recommendation letters, must be submitted online no later than 11:59 pm CT on June 16, 2025.

Mu Alpha Theta established this award in 1986 in honor of Harold Huneke, a former Secretary/Treasurer of National Mu Alpha Theta. Each year the Huneke Award honors a current or retired sponsor who has labored tirelessly and made significant contributions to Mu Alpha Theta. To be nominated, the individual must have served as a Mu Alpha Theta sponsor for at least five years, have attended at least two national conventions (or will attend a second convention this year), and cannot currently be a member of the Mu Alpha Theta Governing Council.

The award includes a \$2,000 cash award to the winner. In January 2012, the Governing Council voted to make this a peer-nominated award. Nominations should be made by a coworker, administrator, or other Mu Alpha Theta sponsor.

The Governing Council will choose the winner of the Huneke Award and the winner will be announced at the National Convention. The sponsor does not need to be present at the convention to win. Also, any sponsor whose name is nominated, but does not win the award, will have their application reconsidered for the following two years for the award.

Sponsors may be nominated for both the Sister Scholastica Award and Huneke Award in the same year, but no sponsor may win either award more than once.

MAA MathFest

Hosted by the Mathematical Association of America

Sacramento, CA

August 6–9, 2025

MAA MathFest is the premier annual gathering for mathematicians, students, and educators worldwide, offering a dynamic space to explore the latest research and innovations in mathematics.

This event brings thousands of attendees together to connect, learn, and engage in customized programming that fosters professional growth. With inspiring talks, hands-on workshops, and exciting networking opportunities, MAA MathFest is more than just a conference—it's a celebration of the vibrant mathematical community and its impact on the world. Join us this summer and be part of an unforgettable experience!
