### A Message from the Executive Director

Dear MAΘ Sponsors,

The National Convention in Frisco, Texas is just a few weeks away, and the excitement at the National Office is very real. Students are about to experience a full week of top-tier math competitions, new friendships with like-minded peers, engaging social events, and inspiring speakers.

We do want to offer one additional heads-up for attendees: Texas in late June is enthusiastically warm. Sunscreen is not optional. We are looking forward to a week of possibilities, opportunities, and — let's be honest — some very dedicated air conditioning.

A couple of important reminders before we all scatter for summer:

The MAΘ store will be closed for the entire month of July. We **reopen on August 1**, at which point updated membership fees will take effect: **\$12 per student**, with a continued reduced rate of **\$6 per student for Title I schools**.

On behalf of the entire MAΘ team, we hope you enjoy a well-deserved summer. Rest, relax, and get ready — because a new group of incredible math students is right around the corner.

Thank you, as always, for your generous support of Mu Alpha Theta and the students we serve.

Warmly,  
Dana Wade

## A Message from the Student-Delegate President

It's a busy time of the school year as things come to a close! I want to encourage student chapter leaders to especially take the time now to think about how they could set next year up to be even better. Whether it's a general club structure or lessons they wish they had been told, the small things they leave will go a long way.

As always, we would love to talk through any ideas and look forward to meeting students at our monthly student delegate meetings!

Catch us on the Instagram and reach out to the student officers anytime at [mualphathetasd@gmail.com](mailto:mualphathetasd@gmail.com).

Best,  
Albert Ding
