

MU ALPHA THETA

SEPTEMBER 2026

Dana Wade

A Message from the Executive Director

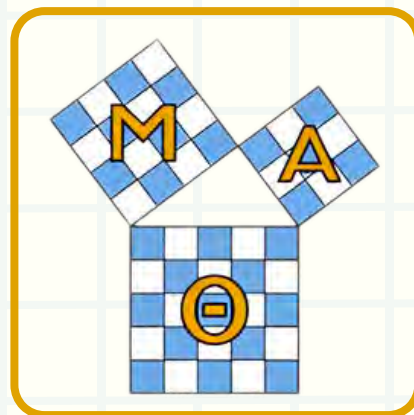

Applications are now open for MAΘ scholarships for graduating seniors in the Class of 2027. Encourage your top students to apply — details and requirements are available on our website.

We're excited to bring the National Convention to Lincoln, Nebraska in 2027. Full details — dates, registration, and event information — are included in this newsletter. Start planning now so your chapter doesn't miss out.

Our website isn't just for convention season. Every past convention test and answer key is posted there, ready to use for meeting activities and competition practice. Sponsors: build these into your regular chapter meetings to keep students sharp all year.

Thank you to every sponsor who shows up for their students — organizing meetings, prepping for competitions, and keeping MAΘ chapters running strong. Your work makes this organization what it is.

Warm regards,
Dana Wade

Hello
SEPTEMBER

Jerry Lee

A Message from the Student-Delegate President

Happy September, Mu Alpha Theta!

My name is Jerry Lee, and it is my honor to serve as your 2026-2027 National Student Delegate President for Mu Alpha Theta.

Mu Alpha Theta has had a tremendous impact on my life. It introduced me to competitive mathematics, helped me discover a genuine love for math, and gave me a community of people who share that passion. This year, I want to give back to that community and help spread the joy of math that Mu Alpha Theta has given me.

My goal is to make the Mu Alpha Theta experience accessible to more students across the country by strengthening chapters and creating more opportunities for students to learn and connect.

I am incredibly grateful to have an exceptional team of Student Delegates working alongside me to make this vision a reality.

Throughout this year, look out for several upcoming initiatives, including a National Partnership program that will make connections across the country before Nationals, and a National Platform that houses numerous resources, including sponsor resources, a study guide hub, student officer resources, and a centralized platform for students to practice Mu Alpha Theta questions. We also hope to highlight the incredible work that is being done by chapters across the nation.

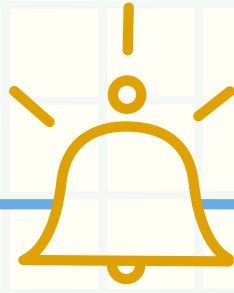

Mu Alpha Theta gave me a community and a love of mathematics, and this year, I want to help build that community across the country.

Please don't hesitate to reach out. I would love to hear your ideas, your chapter needs, and ways us Student Delegates can better support you. You can contact the Student Delegates at mualphathetasd@gmail.com.

Best,

Jerry Lee

2026-2027 National Student Delegate President

Shreveport, LA

NASA Community College Aerospace Scholars

NCAS gives community college students the chance to explore NASA missions, build technical skills, and see how their education connects to real aerospace careers. The program is designed for **CTE students, part-time learners, non-traditional students, workforce-credential pathways, and transfer-bound students**. Participants can also compete for part of a **\$625,000** prize purse.

Explore NASA missions: Learn how technicians, programmers, operators, and specialists support real aerospace projects.

Participate in hands-on challenges: Work on team-based engineering, design, and problem-solving activities.

Connect education to career pathways: Discover how your major or technical training fits into NASA's workforce needs.

Engage with NASA mentors: Get guidance from NASA professionals across multiple mission areas.

Compete for awards: Earn part of the \$625K prize purse through challenge participation.

APPLY NOW

2027 MAΘ National Convention

Sneak
peek

University of Nebraska
Lincoln, NE

The 2027 Mu Alpha Theta National Convention is headed to the **University of Nebraska in Lincoln** on **July 18–23, 2027**, and we're thrilled to give you a first look at what's ahead.

Our **2027 Sponsor Packet** is officially live on our website, where you can explore early details about the next convention.

More information will be shared throughout the year, but consider this your sneak peek!

LEARN MORE

We want to feature your chapter!

We want to show off your amazing
MAΘ members on our website.

Send us a **group photo** of your chapter along with **permission to publish the image on our website**.

Your photo helps us celebrate the students who make Mu Alpha Theta extraordinary and gives your chapter a moment to shine on a national stage.

Please email your photo and permission statement to
info@mualphatheta.org.

Log1 Competition

Coming Spring 2027

The **2027 Log1 Competition** is officially on the horizon. **All three rounds will take place during the Spring 2027 semester**, and chapters can expect more information as we get closer to launch. Stay tuned for updates, key dates, and everything you'll need to get your students ready for the return of Log1.
