November 2026

MU ALPHA THETA

Dana Wade

a message from the Executive Director

Dear Sponsors,

Thank you for all that you do for your Mu Alpha Theta students!
Here are a few dates and reminders for the coming weeks.

Add seniors to your Mu Alpha Theta rolls by Friday, December 11. There's still time to add seniors to your chapter rolls so they're eligible to apply for our scholarships in January. Please make sure every eligible senior is listed by the December 11 deadline.

Visit us at AMATYC, November 19–21. I'll be at the Mu Alpha Theta booth in the exhibit hall at the AMATYC Annual Conference in Philadelphia. If you're attending, please stop by. I'd love to meet you and hear how your chapter is doing.

Thanksgiving closure, November 25–27. The National Office will be closed Wednesday through Friday for the holiday. We'll respond to messages when we return on Monday, November 30.

Send us your photos. Do you have pictures of your chapter tutoring, competing, or having fun together? Please send them to info@mualphatheta.org for our newsletter and social media. We're also still accepting chapter photos for the carousel on our website's home page.

Enjoy the upcoming holidays and thank you again for everything you do for your students.

With gratitude,
Dana Wade

Student Delegates

A message from your Student Delegates

Hello Mu Alpha Theta Sponsors!

We hope your school year and chapter meetings are off to a wonderful start! As your National Student Delegates, we're excited to share two upcoming student-focused initiatives designed to get your members excited and practicing math this fall:

100-Question "Back to School Bash" on Mathlinks:
We are hosting a high-energy kickoff challenge on Mathlinks! Contestants will tackle 100 questions in 60 minutes across all three divisions (Mu, Alpha, and Theta). Designed as an exciting "journey through Mu Alpha Theta," the goal is for students at every level to dive in, challenge themselves, try their best, and above all, have fun! Anyone can sign up for free at mathlinks.org/signup.

Weekly Problems of the Week on Instagram (@mualphathetadelegates):
Keep your members engaged between competitions with our new weekly math challenges! Every week on the Student Delegate Instagram page (@mualphathetadelegates), we post a question for each division featuring a range of difficulties. Full solutions are posted at the end of each week so students can check their work and learn new problem-solving approaches. Please encourage your chapter members to follow along and try them out!

Thank you for everything you do to support your students and spread the love of mathematics.

All the best,
The Student Delegates

Scholarship Applications are due in about 3 months!

Sponsor Reminder

Scholarship applications are due in approximately three months! Please encourage students to **request their letters of recommendation now**. Applications that are missing any required materials, including recommendation letters, **will be considered incomplete and will not be reviewed**. Starting early helps ensure students have plenty of time to submit a complete application before the deadline.

Applications for the following scholarships are due February 1, 2027

Mu Alpha Theta High School Scholarship – $4,000

Mary Rhein Memorial Scholarship – $5,000

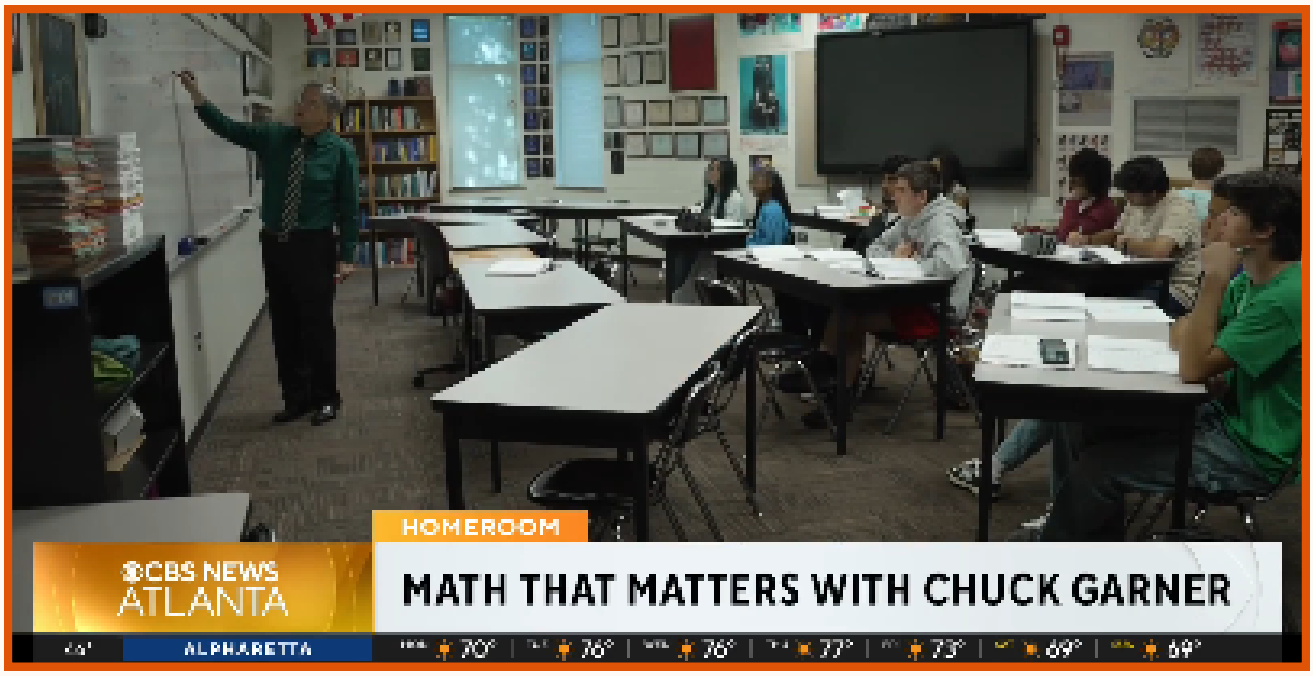

Paul R. Goodey Scholarship – $5,000

Kay Weiss Scholarship – $5,000

APPLY NOW

Dr. Chuck Garner: the GOAT

We are proud to recognize **Dr. Chuck Garner**, the MAA Representative on our Governing Council, who was recently featured by CBS Atlanta.

Known as "the GOAT" by his students, Dr. Garner has spent more than three decades inspiring young mathematicians through his engaging teaching style, real-world approach to mathematics, and unwavering support of student success. His dedication to helping students discover their potential continues to make a lasting impact on generations of learners.
