

Mu Alpha Theta

Governors' Leadership and Service Award

2020-2021

This award was established in 2015 by the governors of Mu Alpha Theta to recognize a graduating member for his/her outstanding leadership skills and exceptional service to his/her Mu Alpha Theta chapter. The winner may elect to receive this \$4,000 award as a scholarship or cash prize.

Each active chapter may submit only one nomination per year. The sponsor of the chapter will determine how the chapter's nominee is selected, unless the sponsor is related to a possible nominee. In this case, a number of possible candidates should be submitted to another teacher or counselor at the school with each candidate's qualifications so one member can be selected. The person selecting the nominee will also fill out the application form. (If not the chapter sponsor, a note should be included as to why they did not fill out the form.)

The winner will be determined by our governing council and will be posted to our website no later than April 1, 2021. The student who wins this award is not eligible for any other named award, i.e. Kalin Award or Andree Award, although s/he is eligible for all scholarships. The nominee for this award does not need to attend our national convention to be selected for this award. **Incomplete applications will not be accepted.**

***NEW for the 2021 Governors' Service and Leadership Award*: Mu Alpha Theta will be accepting online applications starting Fall 2020. Once the online application feature is available, the paper application will no longer be available and everyone must apply online. If applying online creates an undue hardship, please call the National Office at 405-325-0144 to make other arrangements. All application materials must be submitted online no later than March 1, 2021.**
