\$4,000 Scholarships

PLUS

Four \$5,000 Scholarships Available!

The Mary Rhein Memorial Scholarship

Mary Rhein was an active Mu Alpha Theta sponsor from Ohio for more than 22 years who nurtured excellence in mathematics and encouraged competition as a dynamic way to demonstrate concepts learned in the classroom.

The Sallie Scudder Memorial Scholarship

Sallie Scudder taught calculus and coached softball in Florida until her death at age 36. She was passionate about making a difference in the lives of her students and had a positive effect on everyone around her.

The Paul R. Goodey Scholarship

Dr. Goodey, former MAT secretary-treasurer from 2001-2014 and George Lynn Cross professor of mathematics at the University of Oklahoma, encouraged discovery through research.

The Kay Weiss Scholarship

Kay Weiss, former Mu Alpha Theta executive director from 2003 to 2016, had a special love for physics and astronomy. This scholarship recognizes a commitment to promoting women's participation in the STEM fields.

We're pleased to announce that all our applications are now online! We are no longer accepting paper applications.

For applications and more information about specific awards visit: mualphatheta.org/page/awards

We WILL have a 2021 National Convention! July 12-15, 2021

Save the Date!...

There will be two ways to participate:

IN-PERSON- if you're allowed to and so choose, you can participate in-person at your location and take a pencil-and-paper test. This option will require coordination with your sponsor because they will be required to proctor these tests for you.

ONLINE- The same tests will be offered online later for those who choose to participate online instead.

Members will only compete against those who take the tests in the same way.

More info will be posted here mualphatheta.org/national-convention in the coming weeks, including price.

Happy New Year from the MAT National Office! For virtual math resources: mualphatheta.org/math-resources
