Mu Alpha Theta

Нарру л Day March 2022

Letter in Mu Alpha Theta at Bridgeland High

Bridgeland High School of Cypress, TX, is relatively new, but it is powerful! There are 501 Mu Alpha Theta members in a school of 3,449 students. The first induction was held in May 2019. Most of their students are inducted as sophomores, and continuing memberships require more than just the National requirements. To be a member at Bridgeland, students are required to have ten volunteer hours, attend two social activities, and participate in at least one of the service projects to stay active.

Bridgeland's chapter has three sponsors: Angela Smith, Amy Simmons and Yi French. Ms. Smith wrote, "We were able to return to NASA this year! This time we took 112 members to see the NASA Space Center in Houston Texas. This is triple the number we took in 2020. Fun was had by all and we are sharing our experience with other chapters of Mu Alpha Theta in our district so they too can experience such an amazing trip." The chapter continues to participate in Rocket City Math League, and this year competed in the University of Houston's Math Contest. "We had two members letter in Mathematics this year!! I couldn't be more proud than seeing our school letterman jacket with Mu Alpha Theta on the letter. To date we have had six members letter in Mathematics." Ms. Smith added.

Bridgeland actively serves their community. They partner with the middle school that feeds into Bridgeland, and members go to the middle school four times a week to assist the middle school kids with their "opportunity lab" activity they are doing to help "bridge the gap" created by COVID. They also started up "Virtual Tutorials" during the outbreak of COVID to assist elementary and middle school students in their school zone with their homework, this program was such a huge success that they had been asked to continue it even though Texas schools are no longer virtual. This year, they assisted with the DePelchin Children's Center Lego Drive, Legends, and Legos and donated 701 boxes of Legos.

In the near future, the chapter will be hosting a round table in April where they are inviting all the other Mu Alpha Theta Chapter Sponsors in their school district (CFISD) to meet and share lessons learned and best practices to grow the Mu Alpha Theta programs at all schools, empowering students in STEM and building stronger minds for tomorrow. Their future goals are to be able to attend convention next year.

Join us this summer to celebrate the <u>50th In-</u> <u>Person Convention</u> July 10—15, 2022

Enjoy this year's convention excursion, which will be a trip to "the mall" in Washington, D.C. in between participating in competitions, chatting with friends, and hearing great speakers.

T-shirt contest entries will be accepted from 3.14.22, through 5.25.22, at 4:30 pm CT.

WE WANT TO HEAR FROM YOU!

Share your chapter's incredible activities and pi jokes on social media!

Regional Sponsor of the Year

Sister Scholastica

Due 6/15

Hunecke

Remember:

Each chapter is
allowed four free
shipments per
school year, subsequent orders will
have shipping
charges added.

2022 Mu Alpha Theta Elections

Your ballot should arrive on March 15, by email. The ballot only goes to the primary sponsor of active chapters. Please vote as soon as you can after receiving it; only so you don't forget to vote.

More details will be included with the email, but the slate for 2022 is as follows:

President-Elect: Storie Atkins

Rob Snow

Region 3 Governor: Betty Hood
Region 4 Governor: Daniel Bonnett
Treasurer: John P. Albert

The treasurer must be an OU employee, and therefore, Dr. John Albert runs unopposed.

Please vote no later than Monday, April 25th at 4:30

Dr. John P. Albert Professor of Mathematics at the University of Oklahoma Treasurer, Mu Alpha Theta

Dr. Albert's assistance has been invaluable during his tenure as treasurer of Mu Alpha Theta. However, since August, Mu Alpha Theta could not have survived without

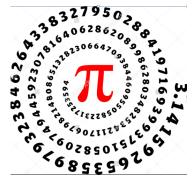

him. He spent way too many hours doing Mu Alpha Theta financial business as the only employee with financial power there in Norman, OK. He also worked with HR to find our new Executive Director, Dana Wade.

He is a quiet person with a great wit that you have to catch. In the past, his students have had some rather odd comments on Rate My Professor, but they all say that they would take him again. He specializes in Differential Equations, but he has also taught Teaching College Mathematics.

We appreciate all he does for Mu Alpha Theta without compensation or reassigned time.

-Dana, Karen, and Kathy

Get Your Packages

When you enter your shipping address in the store, it will automatically add your school name. If you retype your school name, the probability is high than UPS will mark it as wrong address and charge us for it again. Ridiculous, maybe; but that's how it works.

Registering for the 2022 Convention

- 1. Reserve your hotel rooms.
- 2. Members recommend using Edge or Chrome.
- 3. Using your chapter number and pa\$\$word, sign into www.mualphatheta.org
- 4. Then Click on the blue button, "Conventions". Once there, choose "Join Convention."
- 5. Follow the Convention Instructions that are accessed by clicking the blue button on the upper right hand corner of the registration page.

"The Love Imaginary"

Starring the number 1, i, and the woman they both love. No numbers were injured in the filming of this winning video.

Mu Alpha Theta wants to recognize accomplishments and activities. If a sponsor retires or earns a promotion or you have other newsworthy activities, please email kathy@mualphatheta.org. —Kathy Mowers, Newsletter Editor
