

Mu Alpha Theta
Diane Rubin Service Award
2021

The Rubin Award was established in 2004 by the governing council of Mu Alpha Theta. This award was named in honor of Diane Rubin who worked tirelessly at the national office of Mu Alpha Theta for twenty years before her retirement in December 2003.

The award will be presented to the Mu Alpha Theta chapter that has a history of outstanding mathematics service to its community for at least two years. This service must promote interest in mathematics and benefit a group other than its own chapter. No school may receive the award more than once in a five-year period.

The winning chapter will receive a \$5,000 cash prize and a plaque, which will be presented to the winner at our national convention. A representative of the chapter need not be present to win.

HOW TO APPLY

Incomplete and late applications will not be accepted. *NEW for the 2021 Rubin Award*: Mu Alpha Theta will be accepting online applications starting Fall 2020. Once the online application feature is available, the paper application will no longer be available and everyone must apply online. If applying online creates an undue hardship, please call the National Office at 405-325-0144 to make other arrangements. All application materials must be submitted online no later than **March 1, 2021**.
