

Mathematical Minutes Video Contest

YouTube Instructions

1. Go to <https://www.youtube.com>. If you don't have an account on YouTube, click on "create account", fill in the necessary spaces and create your account. If you already have an account, you may skip to step 2.
2. Sign in to your account.
3. Now click on "upload" in the center of the first screen you see when you sign in.
4. Leave the four boxes shown checked, click "okay, I'm ready to upload."
5. Click "select files from your computer".
6. Now search for your video wherever you saved it and then double click your video. Once you have selected your video you should see an editing screen.
7. You may edit the title to be anything you want, of course try and make it relevant to your video. **Do not include any reference to your school, its name, or the name of any individuals in the title. Videos that include any reference to the school, its name, or the name of the individuals in the video will be disqualified.**
8. Under Description you **HAVE to write your school's Mu Alpha Theta national chapter ID number.** YOUR VIDEO WILL NOT BE SCORED IF THIS NUMBER IS MISSING.
9. Under Tags, write "Mathematical Minutes 2018."
10. Adjust the Privacy Settings to "unlisted".
11. Set the Category to "Education".
12. License and right ownership can be set to "Standard YouTube License".
13. **Once your video has finished uploading, copy the URL given for the video onto the submission form, add all other information, and email this form to info@mualphatheta.org.**
